Humble memorial of B.Shiva Rao, Typist, old Mangalore South Division, and acting Typist, District Forest Office, South Kanara.

Most respectfully sheweth,

That your humble memorialist being aggrieved by the order of the Chief Conservator of Forests No.L.Dis 2728/39 dated 14th June 1939 begs to submit the following few facts for kind consideration and favourable orders of the benign Government.

P. 17 in (A)

2. That your humble memorialist was the permanent Typist, District Forest Office, old Mangalore South Division till 1-9-1938 on which date, your humble memorialist begs to submit, the then two Forest Divisions Mangalore North and Mangalore South were amalgamated into one Forest Division and named "South Kanara Forest Division".

3. That your humble memorialist was first chosen and was nominated for the post of the typist of the amalgamated South Kanara Forest Office, but

Paras -3. on p. 29 in C&F's Lrs NC 1905/39. 16.3 39 (B)

to his utter surprise your humble memorialist begs to submit, that the Typist of the old Mangalore North Division was selected for the amalgamated office and that for no valid reason nor for any reasons apparent to your humble memorialist, your humble memorialist was not provided in the South Kanara District Forest office according to the original selection and nomination made in the report of the District Forest Officers and approved by the Conservator and even the name of Typist of the abolished Division was reported to the Chief Conservator of Forests for transfer outside the Circle.

Para 3 on p.2 of C.F's letter 1905/3P. (B) 16-3-3P

4 That your humble memorialist begs to submit that it has been the fundamental principle that whenever a retrenchment of office takes place, the posts in that office are automatically abolished, and the incumbents of the abolished posts provided for elsewhere without the least possible disturbance to others holding other permanent posts unaffected by such retrenchment; when such is the principle adopted in several cases it is rather hard that the Typist of the North office, whose post came to be abolished by retrenchment was provided with the very post which your humble memorialist held in the South Office.

Cf. Para 2 on p.2 of C.F's letter 1905/3P (B) 16-3-3P.

5 That your humble memorialist was transferred to Nilgiris District Forest Office in a short leave vacancy of one month and 8 days when there was a long standing vacancy of a Typist post in the District Forest Office, Wynaad.

Cf. Para 4 on p.2. of C.F's letter 1905/3P (B) 16-3-3P

6. That your humble memorialist being upset by the sudden order of transfer which caused your humble memorialist considerable inconvenience to dislodge himself from Mangalore, applied for 3 months leave and it was granted by the Conservator of Forests, Ootacamund Circle.

pp. 10-13 infra.

7 That your humble memorialist submitted a petition (copy enclosed) to the Conservator of Forests, Cotacamund Circle through the District Forest Officer, South Kanara representing his hardships and pointing out that there are vacancies in the Revenue Department and other Departments and requested the Conservator of Forests to address the Collector of South Kanara to provide your humble memorialist with a Typist post or to appoint him as a clerk after obtaining sanction from Government if necessary.

8 That your humble memorialist begs to submit that while he was expecting a sympathetic consideration of his hard case at the benign hands of the - Conservator of Forests, Cotacamund Circle on his petition dated 21-9-1938, had to his utter disappointment been served with a three month's notice of discharge in South Kanara District Forest Officer's Ref.No.2758/38 dated 21-10-1938 stipulating that the order of discharge took effect from 24-10-1938.

pp 10-13 infra.

pp 15-16 infra

9 That your humble memorialist begs to submit that in fairness to Government servants and with due respect for rules the "Seniority" of a person has preference to the service and the seniority of a person which is accurately determined by the date of his first appointment to the service, has to be taken into full consideration, as contemplated in the Public service Subordinate service and Ministerial Service Rules. To mete out justice to one and all in a service, a list, in the case of Lower Division clerks and Typists, borne on a Circle cadre has been maintained in each Circle Office. When this is so, your humble memorialist begs to state that the order of discharge served on him without establishing that your humble memorialist is the juniormost of the Typists in the Circle and has therefore to bear the

Cf. P.2. of the note file in Ref's this 2728/38. 14-6-38 (A)

brunt of the discharge order is opposed to natural justice and is against the principle of Service Rules. Your humble memorialist understands that Typists junior to him in the Circle have been retained. This, the memorialist submits is a grave injustice done to him.

10 That your humble memorialist submitted an appeal petition to the Conservator of Forests, Ootacamund Circle against the order of discharge issued to him (copy enclosed) on 30-10-1938. Your humble memorialist begs to submit that to the best of his ability and knowledge your humble memorialist made the facts crystal clear that the discharge notice should have been served on the juniors to him. Your humble memorialist most painfully begs to submit that a negative order was passed by the Conservator of Forests (Copy enclosed).

PP-17-19 infra

Pp. 21 infra

11 That your humble memorialist after receipt of the above order from the Conservator of Forests, Ootacamund Circle, submitted a memorial to Government on 17-12-1938 presuming that no second appeal lies to the Chief Conservator of Forests (copy enclosed).

PP-22-25 infra

12 That your humble memorialist submitted a second memorial direct(and one copy through the proper channel) to Government as no orderes were received on his memorial submitted on 17-12-1938 (copy enclosed). Your humble memorialist begs to submit that the copy submitted through the proper channel was returned to him without being submitted to Government.

PP-27-29 infra

13 That your humble memorialist received an order from the Chief Conservator of Forests No.L.Dis 1905/39 dated 16th March 1939 informing your humble memorialist that his memorial submitted to Government has been withheld under Rule XX1 (b) of the petition rules issued in G.O.No. 271 Public (Services) dated 4-2-1937 (copy enclosed) and directing your humble memorialist to submit a second appeal to the Chief Conservator of

P-33 in (B)

Forests.

14 That your humble memorialist after the receipt of the above order from the Chief Conservator of Forests submitted a second appeal on 12-4-1939 (copy enclosed).

15. That your humble memorialist begs to state that the Chief Conservator of Forests has dismissed the appeal in his order No.L.Dis 2728/39 dated 14th June 39 (copy enclosed).

16 That your humble memorialist therefore begs to approach the benigh Government that by conforming to the precepts of the Reduction Service Rules the order of discharge served on your humble memorialist a fairly senior typist in the Ootacamund Circle may kindly be caused to be cancelled and that it may kindly be caused to be served rightly on the juniormost of the Typists in the Circle and that your humble memorialist be provided with a permanent post of Typist in the Ootacamund Circle.

17 That your humble memorialist beg to state that he has put in 19 years 10 months permanent service in the Forest Department and has also 3 years non pensionable service in the Revenue Department prior to his confirmation in the Forest Department and has also passed the Departmental tests in Forest Code and Accounts and Board Standing orders. Your humble memorialist also begs to state that in addition to his legitimate duties of typing work, he was entrusted with the additional duties of a clerk for 19 years in Mangalore South Division.

18 That your humble memorialist begs to state that if it is not possible to provide him with a Typist post your humble memorialist begs that he may be kindly exempted to hold the post of a clerk which is vacant by the retirement of the permanent Range clerk

of Uppinangady Range from 23-1-1939. The memorialist believes that it is primary duty of the Government to see that their subordinates who have lost their posts are provided whenever an opportunity occurs. Now there is an opportunity and if only Government comes to his help, he may be saved from penuary and hardship which will surely follow his removal after a service 22 years and 10 months (19 years and 10 months in the Forest Department and a non pensionable service of about 3 years in the Revenue Department before his entertainment in the Forest Department) under Government and when he is too old to look up to other jobs.

19 If your humble memorialist be exempted to hold a clerical post; he will continue in the Department and will be able to do service to Government and earn a pension in his old age.

20 Your humble memorialist also learns that the benign Government were pleased to permit unpassed and discharged clerks of the Settlement Department to hold clerical posts and requests that Government will also take a similar sympathetic view of your humble memorialist's case also and pass favourable orders on the memorial.

21 Your humble memorialist begs to submit that the connected records may be kindly called for and after perusing all the records favourable orders may be kindly passed on this memorial.

For which act of kindness may your humble memorialist and his family will ever remain grateful.

To

The Conservator of Forests,
Ootacamund Circle,
Ootacamund.

Through The District Forest Officer,
South Kanara.

The Humble petition of B.Shiva Rao,
Typist (on leave and under orders of transfer)
District Forest Office, old Mangalore South
Division.

Most respectfully sheweth,

That your humble petitioner was the permanent Typist, District Forest Office, Mangalore South Division till 1-9-1938 and that consequent on the amalgamation of the two Forest Divisions South and North into one with effect from 1-9-1938, your humble petitioner was first chosen as Typist for the amalgamated office, but, all on a sudden, the Typist of the old North Division was retained in the amalgamated office in preference to your humble petitioner and that your humble petitioner got the order of Conservator (Conservator's R.O.C.No. 2128/38.M dated 20-8-1938). transferring your humble petitioner to the Nilgiris as Typist, and that too in a leave vacancy.

2. That your humble petitioner being upset by the transfer order which caused your humble petitioner considerable domestic inconvenience to dislodge himself from Mangalore when your humble petitioner was born and bred and where your humble petitioner has been educating his 3 daughters, applied and has been granted leave for 3 months by the Conservator, Ootacamund Circle.

3. That your humble petitioner is greatly embrassed by this sudden orders of transfer, and begs to know, as an effect of his transfer from Mangalore, the office and the post on which your humble petitioner holds or is deemed to hold a lien, as this transfer order in a leave vacancy symbolises that your humble petitioner will have to be a rolling stone and will have to be tossed from place to

place as vacancies occur.

4. Your humble petitioner submits that it has been the fundamental principle that, whenever, a retrenchment of office takes place, the posts in that office are automatically abolished, and, the incumbents of the abolished posts -- provided for elsewhere without the least possible disturbance to others, nolding other permanent posts unaffected by such retrenchment. When such is the principle adopted it is rather hard that the Typist of the North Office, whose post came to be abolished by retrenchment should have been provided with the very post which your humble petitioner held in the South Office.

5. Your humble petitioner begs to represent to the Conservator for kind consideration that your humble petitioner is a native of South Kanara and has been at Mangalore holding the post of Typist, Mangalore South Division for the last 19 years and has been educating his 3 daughters in the local school where the language taught is canarese. A transfer out of South Kanara at this juncture when your humble petitioner has to educate his children and has to arrange for the marriage of his eldest daughter, will bring on your humble petitioner's shoulder untold difficulties and hardship as he can neither establish a family at Mangalore for the education of his children with his meagre pay of Rs 35/- which is hardly sufficient to make both ends meet. Added to this your humble petitioner begs to submit that beyond the precincts of South Kanara District the customs and language are different and that children coached in the South Kanara District for some years may not be suited for education elsewhere where the language is different. Further more, it appears, from next year onwards that all other subjects except English language are to be taught in the local vernacular in the High school classes. If such a contingency arises, surely your humble petitioner's school going children will have greatest difficulty by the transfer of your humble

petitioner to any other District.

6. Your humble petitioner learns that the benign Government have been pleased to order that all unpassed and unexempted temporary Ex-settlement Clerks may be provided with clerk's post in the Revenue Department; your humble petitioner with a permanent service of 19 years in the Forest Department and about 3 years non pensionable service in the Revenue Department of South Kanara deserves better consideration at the benign hands of the Conservator. Your humble petitioner submits that in addition to all these has many other personal and family difficulties which, were he to state here, will take away the precious time of the Conservator and may also look annoying.

7. Your humble petitioner also learns that there are permanent vacancies of Typists and also of clerks in the Revenue Department; and your humble petitioner therefore begs to appeal to the kind feelings and generous heart of the Conservator kindly to address the Collector of South Kanara to provide your humble petitioner with any of the posts. Your humble petitioner is also willing to serve in any Government Department within the South Kanara District.

8. Finally your humble petitioner begs to submit that the order of transfer has come down upon him as a hard hit especially at an inopportune time as specified in detail in the foregoing paragraphs. Your humble petitioner most respectfully begs the Conservator kindly to set aside the transfer and restore your humble petitioner to his permanent post, or to provide him with a clerk's post on the expiry of your humble petitioner's leave after obtaining Government sanction if necessary.

9. Your humble petitioner begs to enclose copies of endorsements on his application given by Mr. Madan, then District Forest Officer, Mangalore South.

For which act of charity your humble petitioner

shall ever pray.

Submitted through the Conservator of Forests, Ootacamund Circle.

The applicant has put in a pensionable service of 5 years and 8 months and is the permanent Typist of my office drawing the maximum pay of Rs 35/- from 1-9-1924.

3. It is true that he has been attending to all the works shown in his petition and he has picked up a lot of knowledge regarding office routine works. He is a very hard working and is capable of putting up fairly decent drafts.

4. He has passed the departmental tests in Forest Code and Accounts and Board Standing order and will do well as a Range Clerk.

5. As it may be possible to provide him with a Range clerk's post in course of time, I strongly recommend that he may be kindly exempted from the operation of Article 1 of Public Service notification in order to enable him to ~~draw~~ hold the Range clerk's post on Rs 35-1½-50-1-60 and to draw -- increments upto Rs 60/- in the time scale of pay.

The humble petition of B.Shiva Rao,
Typist on leave District Forest Office old
Mangalore South Division.

Most respectfully sheweth,

That your humble petitioner begs to submit that he has not been favoured with a reply to his petition dated 21-9-1938 submitted through the District Forest Officer, South Kanara.

That your humble petitioner has been on leave on average pay for 3 months from 1-9-1938 which was duly approved by you and sanctioned in South Kanara District Forest Officer's service order No.123/38 dated 31-8-1938 and the leave expires only on 1-12-1938.

That your humble petitioner while expecting a sympathetic consideration of his case at the benign hands of the Conservator, Ootacamund Circle, has, to his utter disappointment been served with a three months' notice of discharge in South Kanara District Forest Officer's Ref.C.No 2758/38 C.1 dated 21-10-1938 stipulating that the discharge order takes effect from 1-9-1938.

That your humble petitioner has been aggrieved by the sudden order of discharge having its effect from 1-9-1938 and it is heart-breaking to your humble petitioner especially when he has been granted leave from 1-9-1938 to 30-11-1938, as under the Fundamental Rules of Madras Government, the "period of leave" is defined as "duty", and any orders affecting a Government servant can be given effect to only from the date of expiry of the leave.

That your humble petitioner begs to point out that

to safeguard the interest of Government servants and to have an impartial and uniform procedure in the matter of provisions and promotions to them; a Circle list of Lower Division clerks and Typists has been drawn and maintained by the benign Conservator. To quote one benign and just order of the Conservator, Ootacamund Circle, meted out to an aggrieved party, the present acting Typist of Wynaad office, while acting before as Typist in the District Forest Office, Palghat, was ousted and on his representing to the Conservator that he was senior to the then employed Typist of Wynaad Division, orders were passed by the Conservator providing the senior man in Wynaad office and ousting the junior.

That your humble petitioner begs to submit that he was first chosen as Typist for the amalgamated District Forest Office South Kanara when the District Forest Office, Mangalore South and Mangalore North Divisions was made into one. For no valid reason, nor for any reasons apparent to him, your humble petitioner was not provided in the South Kanara District Forest Office. Your humble petitioner begs to state that he has made these points Crystal-clear in his humble petition to the Conservator dated 21-9-1938 submitted through the -- District Forest Officer, South Kanara. Even then, your humble petitioner begs to submit that he has not the least trace of fear of discharge as the Chief Conservator of Forests's report to the Government submitting proposals for the amalgamation of the two Forest Divisions (Mangalore South and North) purporting that adequate provision has been made for the -- surplus staff, had given your humble petitioner a sigh of relief and your humble petitioner was confident of being provided with a Typist post any where in the divisions of ~~the~~ this Circle as your humble petitioner who has put in 19 years permanent service in the Forest Department, is a fairly senior man - though not the seniormost - man among the Typists of this Circle.

That your humble petitioner begs to submit that in fairness to Government servants and with due respect for Rules the "Seniority" of a person has reference to the service and the Seniority" of a person which is accurately determined by the date of his first appointment to the service, has to be taken into full consideration, as contemplated in the Public Service subordinate service and Ministerial Service Rules. To mete out justice to one and all in a service, a list in the case of Lower Division clerks and Typists, borne on a Circle cadre has been maintained for guidance in each Circle office. When this is so, your humble petitioner begs to state that the order of discharge served on him without establishing the fact that your humble petitioner is the juniormost of the Typists in the Circle and has therefore to bear the brunt of the discharge order is opposed to natural justice and is against the principle of Service Rules.

Your humble petitioner therefore begs to appeal to the mercy and kind heart of the Conservator that by conforming to the precepts of Law and Rules, the order of discharge may kindly be served rightly on the juniormost of the Typists in the Circle and your humble petitioner be provided with a Typist post in any of the Divisions in this Circle. Your humble petitioner begs to quote as an example from the service Rules extract, stating that when more than one approved probationer is available for appointment in one office as full member the seniormost should be provided.

For which act of charity ~~xx~~ your humble petitioner shall ever pray.

South Kanara.

The humble memorial of B.Shiva Rao,

Typist old Mangalore South Forest Division.

Most respectfully sheweth,

That your humble memorialist was the permanent Typist, District Forest Office, old Mangalore South Division till 1-9-1938 on which date, your humble memorialist begs to submit, the then two Forest Divisions Mangalore North and Mangalore South, were amalgamated into one Forest Division and named"South Kanara Division".

2. That your humble memorialist was first chosen and nominated for the post of the amalgamated "South Kanara Forest Office" but to his entire surprise, your humble memorialist begs to submit, the Typist of the old Mangalore North Division ~~xxxxxx~~ was retained in the amalgamated office, and that for no valid reason nor for any reasons apparent to your humble memorialist, your humble memorialist was not provided in the South Kanara District Forest Office, according to the original selection and nominations made in the reports of the District Forest Officers.

3. That at the same time, your humble memorialist got the order of the Conservator of Forests,Ootacamund Circle (Conservator's R.O.C.No. 2128/38.M dated 20-8-1938) -

transferring your humble memorialist to the Nilgiris District Forest Office as Typist in a leave vacancy.

4. That your humble memorialist being upset by the sudden order of transfer which caused your humble memorialist -- considerable domestic inconvenience to dislodge himself from Mangalore so suddenly, applied and was granted leave on average pay for 3 months by the Conservator of Forests, Ootacamund Circle.

5. That your humble memorialist submitted a petition(copy enclosed) to the Conservator of Forests,Ootacamund Circle through the District Forest Officer,South Kanara, representing the hardships that might be caused to your humble memorialist by frequent transfers if your humble memorialist was destined for leave vacancies such the one as the Nilgiris vacancy and praying that your humble memorialist's case may kindly be considered for South Kanara District Forest Office or any other offices of Government in South Kanara.

6. That your humble memorialist while expecting a --- sympathetic consideration of his case at the benign hands of the Conservator has to his utter disappointment been served with a three month's notice of discharge in South Kanara District Forest Officer's Ref.No. 2758/38 C.1 dated 21-09-1938 stipulating that the order of discharge took effect from 24-10-1938.

7. That your humble memorialist was hard hit by the sudden order of discharge having its effect from 24-10-1938 and it was heart-breaking to your humble memorialist especially when your humble memorialist was granted leave from 1-9-1938 to 30-11-1938 any order affecting a Government servant cannot have the effect during leave as under Fundamental Rules of the Madras Government the period of leave is defined as "duty".

8. That your humble memorialist begs to submit that by the amalgamation of the two Forest Divisions into one he had not the least trace of fear of discharge as the Chief Conservator's kind report to the Government submitting proposals for the amalgamation of the two Forest Divisions(Mangalore South and North) purporting

that adequate provision was made for the surplus staff, gave your humble memorialist a sigh of relief and your humble memorialist was confident of being provided with a Typist post anywhere in the Forest Divisions of the Ootacamund Circle, and your humble memorialist who has put in 19 years permaent service in the Forest Department and also 3 years non pensionable service in the Revenue Department, prior to his confirmation in the Forest Department, is a fairly senior man and has juniors to him in service in the unit of Typists borne on a Circle cadre.

9. That your humble memorialist begs to submit that in fairness to Government servants borne in one unit and with due respect for "Rules" the"Seniority" of a person has reference to the service and the "Seniority" of a person which is accurately determined by the date of the Government servants first appointment to the service, has to be taken into full consideration as contemplated in the Service Rules. To mete out justice to one and all in a service, a list in the case of Lower Division Clerks and also of Typists borne on a Circle Cadre, has been maintained for guidance in each Circle (Conservator's) office. As Typists are borne on a Circle cadre for purposes of seniority, the unit ~~until~~ will comprise the holders of posts of Typists on a Circle basis. Your humble memorialist begs kindly to refer to para 3, of the explanatory instructions of the "Reduction Rules" detailing the selection of person for discharge in a unit, your humble memorialist also begs to add that with reference to the same discharge Rules (G.O. No. 1224 Public (Services) dated 4th December 1934 the selection of a person for discharge from a unit shall be in order of juniority; junior first, vide 5 to Rule 4 of the Service Reduction Rules. When this is so, your humble memorialist begs to state that the order of discharge served on your humble memorialist without establishing the fact that your humble memorialist is the

juniormost in the unit of Typists in the Circle and has -- therefore to bear the brunt of the discharge order, is opposed to natural justice and is against the principle of Service Reduction Rules.

That your humble memorialist begs to quote a concrete case of the benign and just order of the Conservator, Ootacamund Circle, in the case of the Typist now employed in Wynaad Forest Division, who, while acting as Typist in the Dt Forest Office, Palghat, was ousted and on his -- representing to the Appelate authorities that ~~the~~ he was senior in the unit of Typists to ~~then~~ the then employed Typist of Wynaad, orders were passed by the Appellate authority providing the senior man in the Wynaad office and ousting the junior.

That your humble memorialist has in his appeal petition to the Conservator of Forests, Ootacamund Circle dated 30-10-1938 (copy enclosed) to the best of his ability and knowledge made the above facts Crystal-clear and your humble memorialist most painfully begs to submit that a negative order was passed by the Conservator(copy enclosed).

Your humble memorialist therefore begs to appeal to the benign Government that by conforming to the precepts of the Reduction Service Rules the order of discharge served on your humble memorialist may kindly be caused to be cancelled and may kindly be caused to be served rightly on the juniormost of the Typists in the Circle and your humble memorialist be provided with a Typist post in any of the Divisions in the Circle.

For which act of kindness and charity your humble memorialist shall ever pray.

Humble memorial of B.Shiva Rao,
acting Typist, District Forest Office,
South Kanara.

Most respectfully sheweth,

1. Your humble memorialist begs to submit that he has not so far received any orders to the memorial submitted by him to the Government on 17-12-1938.

2. Your humble memorialist begs to submit that he has been discharged from service from 24-1-1939 but is continuing to act in the leave vacancy caused by the grant of leave to the permanent Typist and the vacancy will cease on 24-2-1939.

3. Your humble memorialist begs kind permission to submit the following additional facts for the kind consideration of the benign Government.

4. Your humble memorialist was under the presumption that the Conservator and the Chief Conservator of Forests will take sympathetic view of your humble memorialist's case and will be provided with a permanent post of Typist as it is possible to provide with a permanent post in the Circle.

5. Your humble memorialist begs to submit that he has received a copy of Chief Conservator's Proceedings No. ~~415~~ 7028/39 B2. dated 17-1-1939 that he would be discharged from service from 23-1-1939.

6. Your humble memorialist begs to submit that after the amalgamation of the two divisions your humble

memorialist was transferred to the post of Typist in the District Forest Office The Nilgiris in a leave vacancy of 1 month and 9 days in Conservator's R.C No 2128/38 dated 20-8-1938 and a copy of this order was submitted to the Chief Conservator of Forests and this transfer of your humble memorialist was not objected to by the Chief Conservator of Forests but has now -- refused to provide your humble memorialist with a Typist post in a long standing vacancy in the District Forest Office Wynaad (copy enclosed).

7. Your humble memorialist was under the presumption that he will be given at least the acting long standing vacancy of Typist post in the District Forest Office Wynaad which is now held by an acting junior Typist atleast after period of his discharge. But so far no orders have been received from the Conservator of Forests, Ootacamund Circle.

8 Your humble memorialist begs now to submit that as he has no other means to support himself after his discharge he at least be appointed in the existing vacancy caused by the retirement of the permanent Range clerk of Uppinangady from 23-1-1939 or to the temporary post of second Range clerk on a salary of Rs 30/- till your humble memorialist is absorbed in a post of Typist in this or any other Department of Government.

9 Your humble memorialist not being a passed candidate requested the Conservator of Forests in his petition dated 21-9-1938 submitted through the District Forest Officer, South Kanara to obtain sanction of the Government to appoint your humble memorialist as a clerk on the sincere belief that the benign Government have been pleased to permit unpassed Settlement clerks to hold the clerk's post and the Government will also take similar sympathetic view in the case of your humble -- memorialist case also - but he has not been favoured with any orders so far.

29

10 Your humble memorialist also begs permission to submit that in addition to his legitimate duties of Typist work, he was entrusted with the additional duties of a clerk for 19 years in Mangalore South Division and that he has carried out the duties assigned to him to the entire satisfaction of his superior officers. This fact is borne by the office records.

11 Your humble memorialist with tears in his eyes prays that one of the requests urged in this petition and which are within the reach of the benign Government may be granted to him.

12. Your humble memorialist begs to submit a copy of this memorial direct to Government to save delay as the acting post in which he acts will cease on 24th February 1939.

13. For which act of kindness may your humble memorialist and his family will ever remain grateful.

Please see the Memorial from Sri. B. Shiva Rao, Ex. Typist of the Old Mangalore South Dv. ~~accepted the reason~~ at pages 3-8 cf and the Remarks of the CEF at pages 1+2. cf.

The memorialists Contention in the petition is that, according to the Reduction in the Cadre of Services Rules either the Typist in the office of the Mangalore North ~~should~~ ~~be discharged~~ or the junior most typist in the ~~Dv~~ Circle should

have been selected for discharge - This point has been considered by the CEF. in paras 2 + 3 of the note file at pages 2 & 3 of his Lrs file No. 2728/3p. Ds. 14-6-3p — It is pointed out that the memorialist was the junior among the two typists belonging to the amalgamated offices - and that, according to the Reduction in the Cadre of Services Rules it was the amalgamated office ~~& that is would constitute~~ the. that would be the unit for discharge of person and not the circle, as the typists in the circle are not all appointed by the same authority :

3/ The memorialists request for appt as Range clerk cannot be complied with - The post is occupied by a probationer who has a continuous service of 10 years

Paras 1 & 2 at PP. 742 ante

4/ The CEF. however

recommends that the Govt. may authorise the Collector of South Kanara to arrange to provide a typist post to the memorialist in the South Kanara District or any other Dept. in which there is a permanent vacancy - The memorialist has put in more than 19 years of pensionable service in the Dept..
